The Conference on “*The Hellenic Legacy through the Ages*” will be held in Tampa, FL, on the USF campus. The Conference is organized by the American Foundation for Greek Language and Culture (AFGLC), in partnership with the Interdisciplinary Centers for Hellenic Studies (ICHS) at USF and the Richard Stockton College of NJ (RSCNJ). The conference aims at bringing together Academicians, Scholars, and interested individuals to address primarily the following: (1) The long-term influence of Hellenism in the world; and (2) The on-going, as well as projected, educational contribution of the ICHSs, which have been established in institutions of higher learning in the US and the world at large. Information and details about the Conference may be found at AFGLC website: www.afglc.org
